Dear Mr Pinnock

INSTITUTE OF ARBITRATORS - COMPLAINT BY ALAN SMITH

I enclose copy letters dated 18 and 19 January 1996 from the Institute of Arbitrators Australia. I would like to discuss a number of matters which arise from these letters, including:

- (a) the cost of responding to the allegations;
- (b) the implications to the arbitration procedure if I make a full and frank disclosure of the facts to Mr James.

Yours sincerely

claimants and also I knew Mr Ryan professionally from his time as a partner of Touche Ross.

2. Further, on Thursday, 18 May (not 17 May 1995, as dated by Mr Ryan) I received two pager messages from Mr Ryan. I then returned his call early afternoon by mobile phone. I do not have a file note record of this call as I was in a car at Tyab on the Mornington Peninsula. I do not believe that I made the statement he has attributed to me. From my recollection of the call, Mr Ryan was attempting to make me commit to statements, which I was unwilling to comment on. Unfortunately, I can provide no further details of this call.

Other Matters

Further, I wish to advise that I am most concerned by the fact that Mr Smith engaged a private investigator, who visited me at my home on 27 December 1995, with the intention of discussing matters associated with the Ferrier Hodgson report. I find such an intrusion into my privacy and home (and also the tape recording of our discussion without advice) highly unusual and inappropriate.

As you may be aware, I have contacted the Brighton CIB in relation to:

1. damage to property at my home
2. the actions of Mr Smith impersonating me and pursuing me via the use of a private investigator.

You should be aware that the Brighton CIB intend to interview Mr Smith in relation to criminal damage to my property, but regard the matter of his impersonation and tape recording and telephoning me at home as civil matters.

Could you please provide a copy of relevant correspondence sent to Mr Smith advising him not to make contact with members of the resource unit to assist the police in their investigations.

You should also be aware that as a result of the actions by Mr Smith in contacting me at home. I have reluctantly found it necessary to install a private and silent telephone line at home. Although, Telstra offered to provide this without charge, I would not accept that and will be paying the cost on my account.

May I take this opportunity of wishing you and your staff all the best for 1996, and I trust that you will shortly receive resolution of these outstanding fast track arbitration's.
