**FAST TRACK ARBITRATOR**

Dear Dr Hughes,

I believe the following fax from the Commonwealth Ombudsman's Office, is relevant to my claim, and not contrary to the instructions outlined in your letter dated 10th November, 1994.

In defence of these letters and faxes I would like to state that I believed at the time of writing that I was showing both the reluctance of Telecom to assist me with the Arbitration Procedure and their efforts to inconvenience me in this Procedure. However, I understand the legal reasons you have put forward as to the inappropriateness of forwarding literature back and forth where it may be seen by parties as compromising the confidential undertakings I agreed to abide by.

At no stage did I, or will I in the future, intend to embarrass Hunt & Hunt; neither will I undermine the Arbitration Procedure. I respect your views and judgement and will leave any grievances that I may or may not have with Telstra to be viewed only in the Arbitration Procedure and within the guidelines of the process.

Respectfully,

Alan Smith.
