Mr Warwick Smith  
Telecommunications Industry Ombudsman

Facsimile No. 277 8797

Dear Mr Smith

The purpose of this letter is to confirm our discussion of 7 July 1994 at which Telecom outlined a proposal to provide confidential information to the arbitrator subject to the confidentiality provisions of the Rules of Arbitration governing the claims of the four COT claimants.

As discussed, it is proposed that Telecom will provide to the arbitrator a series of confidential reports which the arbitrator may then make available to the four COT claimants subject to the confidentiality provisions of the Rules of Arbitration. It is understood that, if the arbitrator makes this information available to the COT claimants, they will be required to keep the information confidential and return all copies of such documents and material to Telecom at the end of the arbitration.

Telecom will also make available to the arbitrator a summarised list of information which is available, some of which may be relevant to the arbitration. This information will be available for the resource unit to peruse. If the resource unit forms the view that this information should be provided to the arbitrator, then Telecom would accede to this request. It is recognised that this information may then be made available to the four COT claimants, subject to the confidentiality provisions of the Rules of Arbitration.

Yours faithfully
