Date 30 November, 1993

At today's Council Meeting the TIO reported on his involvement with the COT settlement processes - it was agreed that any financial contributions made by Telecom to the COT arbitration process was not a matter for Council but was a private matter between Telecom, AUSTEL and the TIO.

I hope you agree with this.

*seems OK to me.  
when I spoke to Darwin I  
suggested that at least for the  
first group he develops a  
separate budget, clears with  
us, approves bills for payment  
and we pay direct.  
when we have had experience with  
this can decide to continue for  
Group 2 and future*
